Relocation, beach roads are topics

Completion of the re- location road part with the Corps of Engineers, restoration of the beachfront road and balancing, ending were major topics before the board of supervisors Monday.

County Engineer George W. Wier assured the board he was ready to forward to the state aid division of the State Highway Department on Tuesday his revised plans for the beach road job, pending since Hurri- cane Betsy hit the coast in Sep- tember, 1965. The Federal Bu- reau of Public Roads last month agreed to earmark \$155,000 toward restoration with certain revisions to be made in plans Wier submitted early this year. The county share is \$255,000.

Wier said he hoped adver- tising for bids on the job could start this month and sought blanket approval of the board to advertise when plans are clear- ed by Washington and Jackson.

School sewer tie-in bid let

Low bid of M-D Enterprises, Inc., Bay St. Louis, for con- necting three schools into the new city sewerage system was accepted at a special meeting of the board of trustees, municipal separate school district, on Nov. 20. Work is now under way, superintendent Joe D. Mc- Cullough said yesterday.

The schools involved are North Bay Elementary, S. J. Ingram and Bay Junior High. Only two bids were received for the project, M-D Enter- prises bidding \$2,668.50 and Monti-Carver Plumbing Co., \$3,188.94.

Supervisor Dolph Kellar object- ed that the board had never seen what revisions had been made and noted it would be in session at least two more times this month. Kellar was doubtful work would start much before spring, anyway.

On Wier's request, the board did adopt a resolution assuming responsibility for moving any utilities along the beachfront for the project. The bureau of roads had demanded this and Wier said Mississippi Power Co. al- ready had agreed to move any poles necessary. The engineer also reported the county would not qualify for all \$16,000 matching federal emergency relief funds on the road because the \$32,000 it spent right after the hurricane was not all in one month.

Some of the old railing re- moved from the seawall may have to be used to keep the sand berm from washing out, parti- cularly in the Jackson Ridge area, Wier continued. Several little bulkheads probably will be needed in the vicinity of the big culvert there. Supervisor R.G. Hubbard of Beat 5 explain- ed the water drafts from east to west, causing the eating away in this section. Regular beach maintenance also was dis- cussed.

Both Kellar and Hubbard ex- pressed concern about the road protection bond fund having suf- ficient in the till to put up the required \$255,000 when the pro- ject is let and cautioned against more inter-fund loans from it. Approval of the \$410,000 road re-location pact mini- mizes building and improve- ments to 30,30 miles of paved.

(Cont. on Page 8-A.)

The petitions were pre- sented last Friday morning to Mayor John A. Scafiled, chair- man of the council-manager plan of government committee, who was accompanied by a de- legation from that group.

State law requires the clerk to report his findings to the mayor within 10 days of receipt which means that it is due Mon- day. If the number is sufficient, Mayor John A. Scafiled is sup- posed to inform Commission Council which then has five days to call a special election on the question. If there aren't enough signatures, he's supposed to certify that fact and return it to the committee.

The law provides that the election on the question shall be not less than 20 days nor more than 60 days from the order date.

Marengo and his committee said the 80 pages contained 1,004 signatures which would be well over the required 20 per cent. Indications at City Hall are that some 600 would be needed although there was no firm figure as to the number of qualified electors in the city's three precincts. It is estimated the total is about 2,500.

A cursory check of the peti- tions Friday indicated several legal questions are confronting Glover. In a number of in-

stances, signatures of husbands and wives, brothers and sisters were in identical handwriting. The clerk said Wednesday he had not yet secured an opinion from the attorney-general's of- fice on how to count these.

Penmanship was another problem and Glover said he hoped the next state legislature would at least require ad- dresses to accompany names on petitions. In addition, there were several duplications but in most cases, Marengo's com- mittee made allowances for this in its tabulation.

Glover also disclosed yester- day that several persons have come to City Hall request- ing that their names be removed from the petitions.

The council-manager plan committee sent written notices to all petition signers last week warning them "of rumors in an effort to get you to remove your name from the petition" and urging all to stand together.

The letter, signed by Marengo, cited state and federal laws protecting them from "in- timidation and threats" and asked for notice of any such efforts. "The committee will investigate any and all com- plaints and refer same to the FBI for further investigation if required," he wrote.

At 8 p. m. Tuesday

Street bond meeting

A public meeting on the street and drainage bonds was set for 8 p.m. Tuesday at Bay Junior High's auditorium. This was the recommendation of the city's advisory committee at its Tuesday night meeting at Webb Community Center. Scheduled to share the spotlight at the public meeting are Mayor John A. Scafiled, Commissioners Warren Traub and J. Cyril Glover, and Joe Richard, whose engineering firm prepared the tentative plans for the proposed streets and drainage.

With one exception the com- mittee's meeting Tuesday night dealt with explanations of minor changes in its recommendation that had been made by the mayor and commissioners. The ex- ception was a brief by-play on another major problem facing the Bay St. Louis voters. This is the proposed change in the city's form of government to the city manager type.

Scafiled took the occasion to point out that unless he was removed from office by a re- call vote, he was "still going to be mayor until July 1, 1969."

Immediate drainage improve- ments are expected to elimi- nate the more serious flood- ing conditions. Preliminary es- timates include about 2 miles of drainage pipe at street inter- sections and about 1 mile of major drainage pipe. Included in the major drainage pipe is the replacement of sub-surface drainage on Main Street from Second Street to South Beach and a new sub-surface drain- age system on de Montluzin Street from Touline Street to South Beach. Also included the addition or replacement of about 3,000 feet of large pipes.

Side ditch drainage along the streets and drainage outlet channel excavation is proposed separately from this project. This will be performed by the city with assistance from others as funds and equipment become available.

This program will benefit all. More paved streets and re- duced flooding will be a real convenience to both the resi- dents and visitors of Bay St.

Louis. Individual citizens will spend less money washing and painting homes and business places and washing and repair- ing automobiles. Streets will be safer to travel upon. The city will not have to spend as much to maintain streets and that money saved can be used to pro- vide other services. Property values, business volume and the general economy will im- prove and Bay St. Louis will become the most desirable place to live on the entire Gulf Coast.

The method selected by the city to pay for this project is \$975,000 in general obligation bonds over a 25-year period. Based on present assessed val- uation, the tax required would be 7.4 mills. In other words, the project would be paid for by all the owners of taxable property at the rate of \$7.40 per year per \$1,000 of assessed valuation. There would be no front footage assessment for anyone and there would be no other increase in taxes re- quired.

The mayor and commis- sioners' plan differs from an alternate plan submitted by the engineers in four respects. At a cost of an additional \$52,446 paying specifications will be for a 20-year design period rather than five years, and three de- letions, railway grade crossings.

An afternoon at the symphony

Camera flirts the attention of a few but most of the young school children attending Monday afternoon's performance at Bay Junior High gym by New Orleans Philharmonic Symphony Orchestra were completely fascinated by musicians and their creations. Perfor- mance drew capacity audience for fourth annual visit to Bay St. Louis. Adults and high schools attended night concert. (Photo by Engelhorn.)

Tenneco leads again

Utility assessment is up half million

Hancock County's public uti- lity assessment for 1967 is up almost half a million dollars over last year, according to figures from the State Tax Com- mission.

G r a n t total is now \$6,139,304 compared with \$5,721,685.

This is a gain of \$417,619 and once again, Tennessee Gas Pipeline Co.'s property—Tenneco, Inc.—is responsible for

the major part of it. Tenneco's assessment is now \$2,302,180 against \$2,041,170 in 1966.

The public utility figures, combined with the real estate and personal property rolls totaling \$13,240,080 which were presented in July, give the county an assessment of \$19,379,384. This does not in- clude automobile assessments and the oil lease figures which come in later on.

The breakdown shows the county school district's assess- ment at \$4,329,764—up from \$4,022,150 last year. Biggest assessment on its rolls is \$2,272,430 from Tenneco, fol- lowed by \$621,552 from South- ern Bell and \$582,485 from Mississippi Power Co.

The Bay St. Louis munici- pal separate school district is at \$1,372,403—a gain of \$43,830. Southern Bell is its major utility at \$665,579, fol- lowed by Mississippi Power at \$445,564 and Louisville and Nashville Railroad at \$216,650.

The Picaune school district went from \$370,894 to \$374,137 for 1967. Southern Bell accounts for \$33,362 and Mississippi Power for \$29,983.

Bay St. Louis is up \$25,736— from \$191,811 last year to \$845,547. Southern Bell is tops here too with \$449,134. Missis- sippi Power is next at \$247,844 and L&N third at \$141,470.

Waveland's utility assess- ment climbed to \$253,534 from \$244,283 a year ago with Mis- sissippi Power accounting for \$108,939. Southern Bell has \$74,635 and the L&N \$39,080.

Beat 5's total on the break-

down sheet shows \$713,306 of its \$1,617,762 assessment is from Southern Bell. Mississippi Power is next at \$483,358 and the L&N has \$374,870. In Beat 4 the utilities amount to \$1,361,480. Tenneco's share is \$624,550 and Mississippi Power has \$346,849.

After the Tennessee Gas in- stallation, Southern Bell has the highest utility assessment in the county—\$1,320,493. Missis- sippi Power is right behind at \$1,058,032. The phone firm last year was \$1,303,347 and the power company \$952,826.

Others are Western Union, \$8,961, down from \$10,125 the previous year; United Gas Pipe- line, \$669,890, down from \$669,900; New Orleans and Nor- theastern Railroad, \$31,682, down from \$33,728; United Gas Corp. \$28,724, up from \$23,896; American Telephone and Tele-

News Briefs

TOPS ON USM

The President's List, top academic honor roll at the Uni- versity of Southern Mississippi, released for the Fall quarter includes Mimi A. Jeffery and Valerie Elaine Nybo, both of Bay St. Louis.

SIDELINE SOCIAL

Plans for the St. Stanislaus Sideline Club's annual Christ- mas social were made at the club's weekly meeting Tuesday night. The social is set for 7.30 p.m., Saturday, Dec. 16, at the school.

KC DINNER

Knights of Columbus, Pere- re Duc Council 1522, will have a benefit chicken dinner from 11 a.m. to 3 p.m. Sunday at the KC Hall, Main Street. Donation will be \$1.50 per plate for adults and \$1 for children. Pro- ceeds will go to the priests' education fund.

SSC CHRISTMAS DANCE

The Roman Togs will play for St. Stanislaus' Christmas dance from 8 p.m. until mid- night Friday. Admission is \$1.50 per person.

ROCK BAND BOOSTERS

Parents Club is sponsoring a fund raising drive to purchase band instruments and reports that a group of young volunteers will be calling on homes throughout the city Saturday selling household and Christ- mas light bulbs. They will be supervised by adult members and will have proper identifica- tion.

SMITH AIDS CATS

Pearl River Junior College dropped its opening basketball game of the season at Home Junior College last Saturday. Back strong for the college, Pearl River defeated Home 60-40. Home's coach, Jerry Smith, 404-104 at New Orleans, said the team was "out of control" and "didn't know what they were doing."

ALLISTON CITED

County Sanitation Wayne Al- liston, who has been associat- ed with the health department for 26 years, was presented a 26-year pin at the state ex- position in Jackson last week.

Teen Times

Lots of excitement around Bay High last Friday. Seniors received their long awaited rings, and were told they're the greatest yet.

Laverne, though, got a heart. And she's a Teen Times. She cut her hair at lower length, after much jaw-dropping, on Saturday, Nov. 27, although the actual party late was Monday, Nov. 27.

What's all this about a certain paper John D. was supposed to have in his possession?

What happened to B. Lerman's latest romance? Does P. A. really have his eye on B. W. And will B. ever make up his mind?

Saturday, Dec. 9, is to be Homecoming Day, whatever that is.

The following item has us all confused, but we're told that as Richard Tracey's cat, not of his temper soon after getting into, he has to take 14 babies shots, don't know exactly what's going on, but in past years one took 14 shots if in contact with an animal suspected of having rabies, and 14 of them. Happy holidays, Richard, old boy!

Kathleen Maloney is another unfortunate mononucleosis sufferer. She was released from the hospital Monday and returned to studies at USM on Wednesday.

HONOR STUDENTS AT GULF PARK - Mary Ann Becker, left, daughter of Mr. and Mrs. Andy J. Becker, 115 de Montbrun, freshman at Gulf Park College, Long Beach, is in president's list which requires at least a 3.5 honor point average on normal load of studies and no grade below C. At right is Andy J. Becker, daughter of Mr. and Mrs. Paul M. White, 106 Pellicy, sophomore at Gulf Park, who is in dean's list. Student must achieve an honor point average between 3.1 and 3.4, carry normal load of studies and have no grade below C.

Backfield slot is open at SSC

Applicants for the football backfield coaching position now open at St. Stanislaus should contact Brother Raymond Buffino, athletic director, Brother Lee Barker, principal, said this week.

The opening was created when Billy Murphy, head coach for the last six years, was not rehired and Anthony J. Buddy Pittalo, Jr., was moved into the head mentor spot from the backfield coach job. The decision was reached at a meeting last week between Brother Lee Barker, principal, and Brother Raymond Buffino, athletic director. Pittalo is a graduate of St. Stanislaus and Tulane University and has been assistant football coach at Stanislaus for the last seven years. He is married to the former Patricia Poolson and is the father of two children, Robin, 7, and Donald, 10 months.

East Hancock buys 2nd fire engine

East Hancock Volunteer Dept.'s second fire engine was into service last week. Chief Edward Priloux announced Tuesday. The department, which protects Shoreline Park, Bayside Park, Springwood Park and other subdivisions along with Clermont Harbor, Lakeshore and the Bayou Phillips area, can now offer more than twice the protection as before.

The newly acquired engine was purchased from the Waveland volunteers, which plans to buy a grass fire unit with the proceeds. This will give the county seven engines, two in East Hancock, two in Bay St. Louis and two in Waveland.

The engine has a 500-gallon-per-minute pumping capacity with a 475-gallon booster water tank. East Hancock's other truck has a 375-gallon tank.

Fire Chief commented there was a rash of forest and grass fires in the county on Nov. 27 and between 2:45 p.m. and 1:30 a.m. East Hancock, aided by Waveland's volunteers, fought and extinguished 11 fires that threatened many homes. A total of 30 fires were reported in the county that night, he said.

KANTCHA KETCHUM

By L.S. (Doc) Elliott

There has been a lot of shooting going on in the lakes and pot holes around the Ter-
mont Harbor and Ansley sec-
tions since the duck season
opened Nov. 29. Each year ducks
stop at these places and for
about a week the hunting is good.
A number of our local hunters
only hunt ducks. They build
permanent blinds in the shallow
lakes where the birds feed.
After the first two weeks of

shooting the ducks are usually
gone. They head for the
marshes.

Speaking of the marshes
duck hunting has been fair so
far this season and a lot of
ducks have been killed by those
hunting in this area. Older
weather will help considerably
and there is plenty of time left
to get those prized waterfowl
before the season ends in
January.

SPORTSMAN OF WEEK -
Dick Mestayer is one of our
oldest and best fishermen.
He loves to fly fish, dove and
quail hunt and owns some fine
quail dogs. He takes to the
woods on every occasion.

to hunt and fish and knows both
arts pretty good. He was tell-
ing of the deer he killed while
working on boats along the
Mississippi River. Buck still
goes deer hunting occasionally.

Was a pleasure to meet
Eddie Hadeaux. He is a good
hunter and fisherman. Eddie
hails from Madisonville, La.
where he is mayor. There is
some mighty good green trout
fishing around Madisonville and
he knows where to get them.

Keen is another of the Rauxet
boys. He takes behind his Pa
and knows his hunting. Keen has
been getting his share of doves
and ducks.

Don't forget to purchase that
license and federal duck stamp
if you want to do duck and
geese hunting. Federal and state
game wardens are on the prowl
and if you are caught hunting
without them the cost for violat-
ing hunting laws can make those
ducks and game mighty ex-
pensive.

Even Woody the Woodpecker
is not safe with a lot of amateur
hunters roaming the woods.
Be a good hunter. Be careful,
be cautious, be courteous to
those who let you hunt in their
fields and be sure you know
what you are shooting at be-
fore pulling the trigger.

Among those helping to open
the duck season was David Car-
ter. David loves his hunting and
always gets his share of game.
all descriptions.

All ready for the opening of
the quail season? Well, here
go. Alover, Dick Mestayer,
Norman Benshaw and others.
They have been working out
their dogs and were raring to
go. Haven't heard what they
hit but you can bet they got
their share of birds. There are
plenty of quail in our local
area, and in adjoining coun-
ties. Quail hunting in our op-
inion is the highest type of hunt-
ing.

E. J. Roeder is another of our
local sportsmen and enjoys both
fishing and hunting.

Eddie Bayard makes the
Bayard fly fishing bait one of
the tops. It is also one of our best
fly and casting fishermen. Ed-
die was telling us he got the
limit the other day including
three which tipped the scales
at nearly 3 pounds. Don't blame
you Eddie for keeping it a secret
where you got 'em!

There are some men experts
at catching shrimp, fish and
oysters but one lady, Jerry Hill,
equals them when it comes to
catching fish, etc. and opening
oysters. Jerry likes all sports,
she says, and we believe her.

Joe, Mommy was over from
New Orleans a few days vaca-
tion. Joe says he keeps too
busy to indulge in his favorite
sports. It all comes to him who
wants, even whiskers. You'll
have your turn, Joe.

Foster Luke is still catching
his share of green trout. He
does mostly fly fishing and salt
water fishing. He was bragging
about the 7 1/2 pound flounder
he caught recently. The whole
family enjoyed eating it.

A fisherman bought a fly
rod and never caught a fish.
He was like the lawyer who
joined a nudist colony and never
had a suit afterwards.

If you go fishing and don't
catch any fish, go again. Don't
gripe, there is bound to be
another day.

It's about time for Norman
Benigno to go to Parchman
"for that dove hunt." Norman
goes about once a year during
the season.

Gilly Gilmore hasn't been
out fishing for quite a while.
Better get that boat fixed up
Gilly, speckles are beginning
to bite.

Carlos Bourgeois says he is
going to catch up on his fish-
ing now that he has a little
more time to go.

Russell Elliott should take
a little time out and go fishing
and hunting before he takes of-
fice.

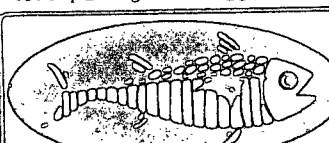

Remember a little re-
creation doesn't hurt anybody,
Russell.

Arthur Dean has been doing
a little fishing lately. His home
is on Bayou Coward where fish-
ing is good all the year round.
You're a lucky boy Arthur to
be able to fish in your own
back yard. Hope to make that
trip with you soon.

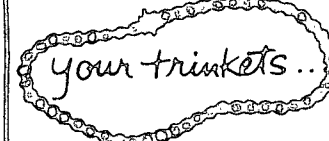

Nolan Kingston was cleaning
up his old blunderbus. Must be
getting ready to do some duck
hunting, etc.

August Rauxet, Luke El-
liott and yours truly spent the
weekend out in the marshes. The
limit of ducks were killed and
a few fish were caught. Plenty
of geese and ducks are in the
Louisiana marshes and some
great hunting awaits those going
to that section.

STATE OF MISSISSIPPI
COUNTY OF HANCOCK
PUBLIC NOTICE

WHEREAS, the Board of Supervisors of Hancock County, Mississippi, did, at its regular meeting held on December 4, 1967, meeting consider the request of citizens for an amendment of an order of February 6, 1967, appearing in Minute Book A-3, pages 32 through 45 and entitled "An Order Adopting Certain Subdivision Regulations in Accordance with Section 2890.5 and 3595 of the Mississippi Code 1942 Annotated, Recompiled and Regulating Pler Construction".

Said amendment being for the purpose of amending existing subdivision rules and regulations to include different types of subdivisions by classifications A, B, C, and D.

WHEREAS, notice is hereby given that a Public Hearing will be held as provided by law, Sec. 3593, Mississippi Code of 1942, on the 28th day of December, 1967, at 7:00 P.M. at the Courthouse of Hancock County in Bay St. Louis, Mississippi, such hearing being in relation to the amendment of aforesaid order, at which hearing all parties in interest and citizens shall have an opportunity to be heard in support of or in opposition to the said proposed amendments.

This, the 4th day of December, 1967.

MARIE E. QUINTINI,
Chancery Clerk and Clerk,
Board of Supervisors Hancock County, Mississippi.

APPLICATION FOR PERMIT UNDER "LOCAL OPTION ALCOHOLIC BEVERAGE CONTROL LAW"

I, Mrs. Bea Georgi, whose address is Highway 90, the owner of a lounge located at Highway 90, approximately 2 miles west of Bay St. Louis City limits, Hancock County Mississippi, do hereby make application for transfer of an On-Premises Retailer's Permit to 306 Coleman Avenue, Waveland, Hancock County, Mississippi, under the provisions of House Bill 112, Section 19 (3), Regular Session 1966 Mississippi Legislature. If granted permit to transfer I propose to operate under the trade name of Georgi's Bar & Lounge, at the above location.

I, Mrs. Bea Georgi, am sole owner of the above named Lounge.

THIS, the 29th day of November, 1967.

Ted Perry wins 1st in film contest

Ted Perry, son of Mrs. Edward S. Perry of North Beach, has been awarded first prize of \$1,000 in the first annual motion picture scholarship competition sponsored by the University of Mississippi.

Perry is working toward a Ph.D. degree in film history and criticism at the University of Iowa. The competition was open to graduate students in motion pictures in U.S.A.-affiliated universities for the year.

The award was made at the association's 21st annual conference at the University of South Dakota during which Perry also presented a paper on "A Liberalized Approach to the Teaching of Film Production."

DINNER SOLD OUT
All tickets have been sold for the Little Theater's first annual awards dinner tonight at Bay-Waveland Yacht Club and none will be available at the door.

SUPER MARKET

Springlike weather hopes returning to the good old days, outdoor enthusiasts are having a ball, and we'll never, ever hope for cold weather, but thinking about shopping, when thoughts of outskimming are much appealing, to all but impossible. Yet, only 14 shopping days before Dec. 25. And even though Sunday, Dec. 10, is a deadline for mailing overseas postcards and cards, only by air mail, Saturday is the last day that this is accomplished, unless Postoffice remains open on Sunday. It's dubious that it'll ever 'happen' around here.

Shopping at home first

Local merchants have outdone themselves this season, and are festive, and now merchandise is effectively. There are always some who must dash to neighbors to shop, with the old 'grass is greener' theory. But money spent at home stays at home, and there are items that can't be found in Hancock County. Mrs. Mary, the weekend after Thanksgiving, was a bit quiet. Woodworkers such as Thoma and George Ruge, Julia Duvall, Dr. and Mrs. James Locascio, Jojo Duvall, Horbig, Ida and Harry Blanco and Elaine and Jimmie appeared, but many remained in the Crescent. Probably trying to get some Yule tasks accomplished. Mayor John Scarfo appears to be feeling better. After some diligent golfing practice he scored a 68 on Sunday at the Palm Christiana Inn. A bit over par, but for someone who was unable to play for quite a while, playmates were another recuperator, Cary Sponco, and Schneider.

Cars and birthdays

Wooton, Jack Kramer and Gilbert Gayard are some of the new car owners. Suzie is also in line for a belated greeting having cut her cake on Friday, Dec. 1. McDonald got the same type of greeting. He celebrated Thursday Nov. 30.

City dedicates future site

A fittingly large crowd turned out for the official dedication of the new City-County Public Library site next to Tower U.S. 90 South Service Drive Friday afternoon. Bands of High and Valona C. Jones played for the occasion and Harford appeared with a Boy Scout color guard. Board of Adalino (Mrs. E.C.) Samuel said, 'I believe this is the day of my life' (and he hopes the good Doctor mission is, but it is the culmination of her fondest dream of life). Evelyn (Mrs. Lloyd) Griffith, introduced miniaturists Martin who opened the ceremony, and J. F. Daring of St. Luke Church, gave the closing prayer. Hardin Shattuck effectively about the meaning of a library to a community and this will be difficult to believe but after Johnny got the precedent, none of the politicians introduced. Garfield Linder, Johnny Longo, Dolph Kollar, Charles Russell, uttered one word. Just a few observers in the May (Mrs. John) McDonald, the Dora McDonalds, Stanton, Mildred Hamilton, Joe Burrow, Billy Burrow, Richard Mahoney, Prim and William Hilliker, Ann and Mrs. T.A. Humphreys, etc., etc.

Several must possessors and Mrs. Tom Dabney, Miss Alma Parker, Mrs. Harry Scharr, Helen Penrose, Mrs. W. J. Boncomp, Ella Jensen, Mrs. Roy Baxter, Shirley Williams, Helma Wood, Mrs. Dan Campbell, Janine Maguire, Madeline and Joe Calovini, Margaret Varnell, and Barbara (Mrs. Jimmy) Landry, drove her mother-in-law, Thoma Landry, all the way from Baton Rouge just for the occasion. Myron Smith is looking forward to becoming a grandfather (Cont. on Page 5-B.)

SHOPPING FOR THE YOUNGSTERS - Array of gifts at special Christmas shop for youngsters at St. Christopher's Episcopal Church gets careful once-over from these shoppers Saturday. (Photo by Ed Fayard, Jr.)

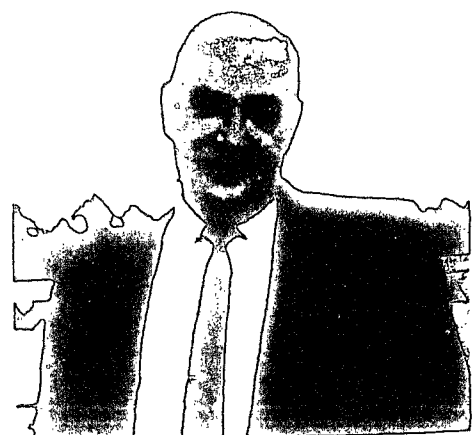

Yule lighting deadline fixed

Mrs. Randolph Nicaise and Mrs. George L. Seuzonau, co-chairmen for Bay-Waveland Garden Club's Christmas lighting contest, announced the deadline for receiving entries is Dec. 19. Judging will be Dec. 20. Entries can be registered by calling Mrs. Nicaise at 467-7947 or Mrs. Seuzonau at 467-5751.

Vitosky-Sutherland rows said at Long Beach

MRS. J. VITOSKY JR.
7 received by
St. Clare's
sodality Sunday

Miss Mary Ann Sutherland, daughter of Mrs. F. Sutherland and the late Mr. Sutherland of Long Beach, became the bride of Joe Davis Vitosky, Jr., son of Mr. and Mrs. Vitosky of Okmulgee, Okla., Nov. 24 in St. Thomas Catholic Church, Long Beach.

Rev. Robert L. Corcoran, pastor, performed the double ring ceremony.

Mrs. Torrance Ashor of Bay St. Louis, organist, played the processional and recessional.

Given in marriage by her brother, James Michael Sutherland, the bride had as her only attendant her sister, Miss Susan Sutherland of Long Beach.

Mr. Fraser Gotgood of Tulsa, Okla., served as best man.

A reception for the immediate families followed at the home of the bride's mother.

The bride, a graduate of La Junta Calif. High School, attended Fulton State College.

The groom, a graduate of Oklahoma State College, is now stationed at Marine Corps School, Quantico, Va., where the couple will make their home.

The bride is a granddaughter of Mrs. John E. Morere of Bay St. Louis.

Among out of town guests were the groom's parents, his brother-in-law and sister, Mr. and Mrs. Earl E. Walker and daughter of Okmulgee, and Mr. and Mrs. H.J. Morere, daughters, Linda and Donna, and son, John Peter Morere, II, of Beaumont, Texas.

Rene Tanquis celebrated his 10th birthday Nov. 18 with a party at the home of his grandparents, Mr. and Mrs. Walter Tanquis. The birthday cake containing the table was decorated to represent a football field.

Guests were Peter and Paul Scannina, Wally, David and Kenny Burns, Mike Favre, Jimmy Poolson, Donald Lulich, Larry Smith and Steve Kiefer.

Mr. and Mrs. Edgar Johnson had as guests Saturday Mrs. Johnson's nieces, Miss Gladys Payne and Mrs. August Brisby and Mr. Brisby.

Mr. and Mrs. Walter Turcotte, Mr. and Mrs. Harold Zimmerman, Mr. and Mrs. Jim Kelly, and Mrs. Gladys Noonan attended the Pottsville employees Christmas party at Pottsville Officers' Club at the Seaboard base in Gulfport Saturday.

Mrs. Margaret Mullens of Boston, Mass. is the guest of her son-in-law and daughter, Mr. and Mrs. Blair Johnson.

Mr. and Mrs. Buddy Bour-

Announcement is made of the marriage of Miss Edwina Williams, daughter of Mrs. Sarah Williams of 423 Eastbrook St., to Adolph Harris of Pottsville, son of Mrs. Mary Harris of Pottsville. The ceremony took place Aug. 10 with Justice of the Peace Nollus Radzick officiating.

The couple is employed by city school system of Moridian.

Mr. and Mrs. George Thorn-

ing, Jr., and children, George, Russell and Barbara Ann, were Sunday guests of Mrs. Thorn-

ing's parents, Mr. and Mrs. A. R. Jenkins.

Michay McGill spent the weekend in New Orleans visit-

ing his aunt, Mrs. Jacob Sch-

vander and son, Walter.

Mr. and Mrs. Edgar Johnson

had as guests Saturday Mrs.

Johnson's nieces, Miss Gladys

City Echoes

Mr. and Mrs. Jerry Necale returned last week to their home in Anchorage, Calif., after a two-week visit with his parents, Mr. and Mrs. Nelson Necale. While here they attended the wedding of Miss Claudia Klein and Mike Lang.

Mrs. James A. Evans of Louisville Garden Apartments has returned from a month's visit with relatives in Lake Charles and Metairie, La.

Mr. and Mrs. George Philip Shuler, II, of Madison, Wis., have been spending a few days with Mr. and Mrs. Joseph S. Blanchard until they take possession of an apartment in North 2nd Street which they have leased for the winter.

Mrs. Royce Williams returned last week from a visit with her son-in-law and daughter, Mr. and Mrs. R. D. Duran, in Columbus, Ga., and with her brother-in-law and sister, Rev. and Mrs. Roberts Bailey, in Atlanta.

Mr. and Mrs. Philip Langel of Bay St. Louis recently returned to their home after an extended tour of Puerto Rico and Guatemala. Mr. and Mrs. Earl Farnham of Houston, Tex., were their guests for Thanksgiving.

Mrs. Louis Naman and children, Edmond, Helen and Andrea of Mobile, were weekend guests of her parents, Mr. and Mrs. Edmond Blaise. They were joined Sunday by Dr. Naman. While here they helped Miss Elma Blaise celebrate her 100 birthday.

Mr. and Mrs. L. H. Laumann and son, Darrell, of New Orleans were recent guests of her parents, Mr. and Mrs.

City Echoes

Mr. and Mrs. Jerry Necale returned last week to their home in Anchorage, Calif., after a two-week visit with his parents, Mr. and Mrs. Nelson Necale. While here they attended the wedding of Miss Claudia Klein and Mike Lang.

Mrs. James A. Evans of Louisville Garden Apartments has returned from a month's visit with relatives in Lake Charles and Metairie, La.

Mr. and Mrs. George Philip Shuler, II, of Madison, Wis., have been spending a few days with Mr. and Mrs. Joseph S. Blanchard until they take possession of an apartment in North 2nd Street which they have leased for the winter.

Mrs. Royce Williams returned last week from a visit with her son-in-law and daughter, Mr. and Mrs. R. D. Duran, in Columbus, Ga., and with her brother-in-law and sister, Rev. and Mrs. Roberts Bailey, in Atlanta.

Mr. and Mrs. Philip Langel of Bay St. Louis recently returned to their home after an extended tour of Puerto Rico and Guatemala. Mr. and Mrs. Earl Farnham of Houston, Tex., were their guests for Thanksgiving.

Mrs. Louis Naman and children, Edmond, Helen and Andrea of Mobile, were weekend guests of her parents, Mr. and Mrs. Edmond Blaise. They were joined Sunday by Dr. Naman. While here they helped Miss Elma Blaise celebrate her 100 birthday.

Mr. and Mrs. L. H. Laumann and son, Darrell, of New Orleans were recent guests of her parents, Mr. and Mrs.

Polly Peers

(Cont. from Page 1-B.)

for the second time in March, when his three-and-one-half year old grandson was told by his mother that a little stranger was on the way, he came out with a hilarious comment, but we'll give Myron the pleasure of passing on the anecdote to his friends.

New arrivals

Eight year old Ginger Maurig is exceptionally proud of her new little niece, Fannie Lee Koutin. The young lady, born in August, accompanied her mother, Alice, on a Coleman Avenue Christmas shopping trip Monday. Alice and Bobby had been married six years when Fannie, their first child, was born. Which recalled the fact that Jane and Brewster Moore were wed for seven years before they put in their appearance, then Brian, Phillip, Emily, Felice and Jules came along, so maybe Alice and Bobby have lots of pattering little feet to look forward to.

Master Chad Fardell is another little newcomer in our midst. He is the son of Mr. and Mrs. Robert Fardell, who were wed for seven years before Chad, their first child, was born. Chad, born Nov. 18 in St. Cloud, Fla., weighing eight pounds, eight ounces, belatedly took off for Florida Saturday to bring Mary and Chad to their new Bay home at 411 Main St.

Udola and Tommy Kidd hosted a huge barbecue at their Mobile Drive home on Sunday, and we hear that delicious food and beverages were in abundance.

Tuesday, Dec. 5, was a big day at Lush's Dept. store, when Pat and Larry Smith celebrated 13 years of wedded bliss on that date, and employee Helen Carver and husband Charlie, 22 years of the same.

Gripe corner

After it had been called to our attention that just about half the automobiles one meets at night have the brightest pair of undimmed lights imaginable, yet only one functioning headlight when the brights are turned down, we counted four out of six cars passed in five minutes Monday night, in just such conditions.

Once again those involved in bringing really good music to our area proved that people will support worthwhile ventures, even on a Monday night. We're referring to the big turnout for the fourth annual performance of the New Orleans Philharmonic Orchestra in Bay High gym. We won't try to begin to list names, but everyone appeared festively garbed, as they enjoyed the symphony.

Norman (Bubble) Sonier is another on our sick list. He's still having complications following foot surgery.

Helle Peterson left Wednesday to spend the Christmas holidays with daughter Margie, husband Jimmy, and children Welton, Ronnie and Jeannie Wright in Houston, Tex.

Animal notes

Mrs. Jeanette Carmichael was distressed to hear of the demise of Verna Capesport's kittens, but says feline lovers may take heart. She has a number of fluffy, cuddly kittens, free to anyone who will give them a good home.

SIGHTS AND SOUNDS ALONG THE WAY - Gay Christmas decorations lining up streets and store fronts, a huge cluster of pale pink roses blooming cheerfully in a Union Street yard, a large, friendly yellow and white tom cat who now considers the Echo his home away from home and the sound of his deep, contented purr when anyone stops to scratch his head.

we care

how much cake should there be in a fruit cake?

Not much!

In fact, we think just enough to hold the fruit and nuts in place.

You see, our Jane Parker Fruit Cake is over 2/3 fruit and nuts.

Every cake is just bursting with cherries imported from France, pineapple from the Far East, citron from Italy, sun-drenched raisins from California and meaty pecans from the South.

AND ONE OTHER THING YOU SHOULD KNOW:

It's the same wonderful cake... at the same low price as last year.

Isn't that good news?

Is it any wonder Jane Parker Fruit Cake is America's most popular Fruit Cake?

Is it any wonder it's become such a favorite gift item?

Is Jane Parker Fruit Cake a good reason for shopping A&P?

It's one of many.

At last a vote on street bond issues

Bay St. Louis voters will have their say on a \$100,000 street bond issue at the polls on Tuesday, Dec. 12. The issue, which was approved by the Hancock County Board of Supervisors on Oct. 10, will be used to improve the city's streets and sidewalks. The bond issue is the first of its kind in the city's history.

HOLIDAY SAFETY - Jackson M. Balch, left, manager of MTF Site Safety Council, watches Gena Burke, chairman of MTF Site Safety Council, place first bumper sticker on car for MTF-Community Christmas Safety Council. Other bumper stickers for MTF-Community Christmas Safety Council are also visible on cars in the background.

Don't kill Santa is safety theme

Don't kill Santa Claus is the theme of the Christmas safety program being sponsored by the MTF Site Safety Council. The program is designed to educate children and the community about safety during the holiday season. The council is distributing safety materials, including bumper stickers and leaflets, to promote safe driving and prevent accidents.

"A Conservative View"

by James J. Kilpatrick
The station's view of the world is conservative. It is a view that is based on the principles of the American Constitution and the teachings of the Bible. The station's programming reflects this conservative perspective, and it is a view that is shared by many Americans.

Letters to the editor

Editor, Sea Coast Echo:
I really enjoy your feature "Letters to the Editor." It gives me a chance to express my views on current events and issues. I hope you will continue to publish these letters, as they provide a valuable forum for public opinion.

Meeting at 7:30 p.m.

The meeting of the Hancock County Board of Supervisors will be held at 7:30 p.m. on Friday, Dec. 8, at the county administration building. The agenda includes a discussion of the street bond issue and other county business.

Hancock's OED plan to be unveiled Friday

New information designed to bring increased income and better living to all the people of Hancock County has just been published, according to Robert Lauderdale, chairman of the county development plan. The plan, known as the OED (Overall Economic Development) plan, outlines a comprehensive strategy for economic growth and development in the county.

On the job training

Bay Senior High School Cooperative Training Student of the Week, Tommy Stiefel, is applying the finishing touch to a sign as his employer, Al Summy of Summy and Sons, looks on approvingly. Tommy is rapidly developing into an excellent sign painter under the supervision of Summy and Sons. This is part of a cooperative training program designed to provide students with hands-on experience in their chosen field.

Differing views on handling Stokely

By Drew Pearson

WASHINGTON - Quiet disagreement has developed between Attorney General Ramsey Clark and President Johnson over what to do about black power advocate Stokely Carmichael. The President would like to see Carmichael prosecuted in order to put militants on notice that there's a limit to the subversive activities which the government will tolerate. Carmichael has been traveling around the world under communist auspices, making rebellious statements against the United States. There is little question that he could be prosecuted under the sedition laws.

However, Attorney General Clark believes this would only make him a martyr. It would be better, Clark contends, to let Carmichael go on discrediting himself with his own statements. Meanwhile, Carmichael is expected to make a defiant reappearance in the United States at almost any time. SMO headquarters in Atlanta had expected him back for Thanksgiving. It's reported he'll try to sneak back into the United States, unannounced, through Canada.

Brothers under the skin

Freel Black, whose income tax conviction was overturned because the FBI had bugged his rooms, won heavily on a horse at the Laurel race track the other day. Jubilantly, he clasped his hands over his head in triumph. At that moment he felt a tap on his shoulder and turned to see who it was. It was a member of the FBI - a smiling J. Edgar Hoover, this time not bugging his rooms but also enjoying the races.

More escalation

The departure of Robert S. McNamara as Secretary of Defense not only will hurt LBJ politically but is almost certain to be followed by more escalation of the Vietnam war. Though he was in charge of the war, McNamara was probably the most effective dove in the President's cabinet, demanding that the generals make no moves which might bring China or Russia into the conflict. He was vigorously opposed to the idea put forth recently by Eisenhower that we should move into the demilitarized zone between North and South Vietnam or leapfrog over it to land troops in North Vietnam.

McNamara the man

McNamara will be severely missed in the President's Cabinet. He had the respect and confidence of the intellectuals, the Republicans. Even the military chiefs at the Pentagon respected him, though they often did not agree with his decisions. They knew he would give them a full hearing to present their arguments, and then would not object to their appealing his decisions directly to the White House. That is a rare attribute for a government official, as well as corporate officials. And it is even rarer in military organizations.

Goldberg next

The next member of the Johnson administration slated to bow out is Arthur Goldberg, ambassador to the United Nations. Goldberg has been restless ever since last spring, has told the President bluntly that he wants to leave. He has been at odds with the White House over failure to push for peace in South Vietnam. The chief issue between him and LBJ is a bombing pause, which Goldberg believes is essential to any peace talks but which Johnson believes would merely permit the enemy to regroup.

Money down the drain

Newsweek magazine got stuck with two million dated covers of Sen. Eugene McCarthy. The magazine had already printed the covers for a story on McCarthy when Britain devalued the pound. The editors scrapped the McCarthy covers and rushed out a new cover of British Prime Minister Harold Wilson. Since McCarthy has announced he'll run against LBJ for the Democratic nomination, the scrapped covers might have proved useful now - but they were dated. So several hundred thousand dollars of Newsweek just went down the drain.

Lobbying on safe meat

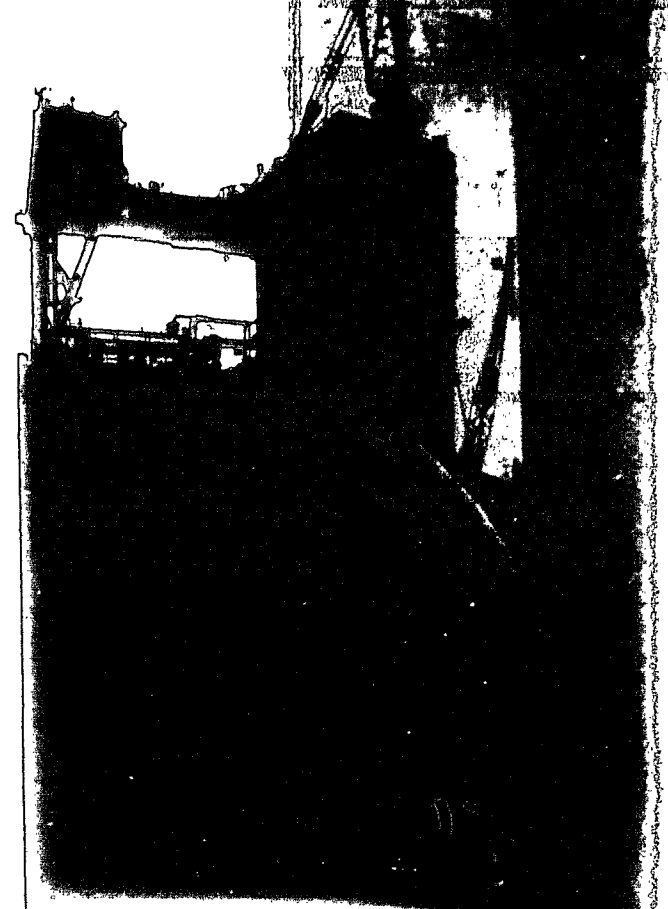

For some weeks the meat lobby has been trying to block a tough meat inspection bill which would protect housewives against substandard meat sold inside state lines which is not now subject to federal inspection. Eighty per cent of our meat is federally inspected, about 20 per cent is not. The importance of this new law is illustrated by the fact that in Chicago, the onetime meat packing capital of the world, four wholesale meat plants were closed down last week by city health inspectors for being unsanitary.

Salon sends Yule gifts for orphan

Salon 218, 840 Harrison County, held its annual Christmas dinner Friday night at Sun-San, Biloxi. Members exchanged gifts and brought assorted clothing and toys to be sent to a girl at the Methodist Orphanage in Jackson. Attending from Bay St. Louis were Mmes. J.H. Benvenutti, Gilbert Gayard, G.C. Romanoff, Russell Elliott, Claiborne Laidner, Rene Bermond and Daniel Ziegler.

Seek Yule gifts for those at Whitfield

Volunteers and staff members at Mississippi State Hospital work together to make Christmas a happy time for the approximately 6,000 residents. The patients come from all walks of life - rich, middle class, poor - from all professions and types of work. Most of them, however, are in the middle or lower income bracket.

Stennis talks on Vietnam

By Sen. John Stennis
In Vietnam there is a general feeling of optimism and confidence that we are winning the war militarily and that we are at last turning the corner. A faint glimmer of light can be seen at the far and distant end of the tunnel. It is apparent, however, that steady and unrelenting military pressure must be kept up on all fronts and against every available pressure point. Half-measures will not do the job and much hard fighting still lies ahead.

Legal notice

NOTICE OF SPECIAL ELECTIONS
CITY OF BAY ST. LOUIS
The City of Bay St. Louis, Mississippi, hereby gives notice that a special election will be held on Saturday, the 20th day of December, 1967, for the purpose of electing a member of the City Council to fill the vacancy caused by the resignation of the late Mr. J. Edgar Hoover.

In addition, Father Farrell will give brief talks and will be available for private consultation. He has been travelling throughout the South on evangelistic mission tours for 11 years. Before that he lived in Minneapolis, Los Angeles, Detroit and Toronto.

1118 6-10-56 567 6-11

I have spoken to others who got good deals at Gerry Lane. I came with a friend several months ago who bought a car and got a real good trade. H. Baron gave us as much as we could expect on our trade-in and as we could have gotten anywhere.

I appreciate the interest H. Baron showed and his efforts to serve me. I prefer to do business at home if possible, as we all contribute to the growth and prosperity of Hancock County by buying at home. Thanks to the personnel at Gerry Lane Chevrolet for making prices competitive with anywhere else so that we can keep our tax dollars at home working for us.

LOCAL BUSINESSMAN REFLECTS IMPORTANCE OF SHOPPING AT HOME

Gilbert Gayaut, Jr., Bay St. Louis, Miss., being connected with the grocery business, I realize the importance of doing business at home, to which my friend J. Haverling told me what good deals Jerry Lane, Bayport, was making. I called Mr. Baron and we transported the entire load without my having to come to the dealership. I am very well satisfied with this service and I am confident that Jerry Lane and Jerry Lane to all my friends and customers.

COAST ELECTRIC
LOOKS AHEAD...

(The last of three articles)

And to conclude

These informal articles outlining the growth, the activities and the plans of the Electric Power Association, we trust, have given you answers to some of the questions you may have about this **LOCALLY OWNED, LOCALLY OPERATED** business.

With the annexation of considerable area by the Cities of Picayune, Bay St. Louis, Waveland, sizeable sections of our distribution facilities were encompassed. We have entered into Agreements with each of these Municipalities whereby we pay "in lieu" of taxes an amount equivalent to what they would receive from any electric utility providing like service. We collect sales tax on our sales, and this is returned to the municipalities just as it is on sales made by any other business.

So, you see - we do pay taxes! We do not pay income tax because we operate on a non-profit basis. Incidentally - any corporation - whatever the nature of its business, if it so chooses - operate on a similar basis.

We trust that you have noticed the modern mercury vapor street lights we have installed in the areas annexed, and which are in our certificated service area.

Just about the time you read this, we will be returning some \$80,000 of those who received electric service from Coast Electric during 1951 and or 1952. These refund patronage capital represent the difference in what the member paid and the actual cost of providing the service for which he paid. This difference that would be "profit" in most companies, is used for operating capital until our financial condition allows to be refunded - this on a "first-in - first out" basis, and as clearly provided for by our laws. This we believe, conclusively demonstrates our non-profit basis of operation.

NOW, - for some more on our plans for the future. In the two preceding article told you of our BRANCH OFFICE plans - and mentioned our LONG RANGE VEHICLE TIERS FACILITIES plan. We described how our recently completed CREW-HEADQUARTERS, and our new BARRACKS, BATH HOUSE, ADDITION were a part of this PLAN.

NEXT, - we propose, and are now developing plans for a NEW OFFICE BUILDING. This will be located just East of our present principal HADOT ARTIFERS BUILDING. It will be built in two or more stages, - two are now being planned.

FIRST, we hope to start construction on a building probably two stories high, which will be completed in 1968 - to be occupied in 1970. In 1973 we will add to this new building such that will allow all our OFFICE FACILITIES to be housed in the new building, and er with the CREW-VEHICLE BUILDING they will provide modern adequate housing for our personnel and equipment, as we project we will have in 1975. The temporary building will be utilized as an ENGINEERING WING from 1970 to 1973. The temporary building known as our WEST WING, will be disposed of in 1970.

We hope we haven't bored you with an outline of our PLANS, but from the material we have evidenced - we believe you are interested in how COAST GUARD FRIGs look for and is planning for a continued growth in population in business and gross income in this area.

In the near future we plan to launch a series of ads and articles in the newspapers of Jackson, Memphis and other cities in a 500 mile radius. In these we will reason those folks should consider moving to "COAST 111 COUNTRY". We see some sample ads worked up and they look good—damn convincing—and we're all enthusiastic about such campaign.

We work with all the Cities and communities in our area - COAST PLAIN - that is. However, Bay St. Louis is our home base - our legal Headquarters. All of our employees live in or near Bay St. Louis. We hope that with the information we endeavored to give you in these three articles that you will feel a bit closer to ELECTRIC and work with us to make our wonderful area a better and better place to live.

And, as we said in starting the first of these articles - THANKS FOR THE

P.S. Watch for our announcement of OPEN HOUSE and You'll come!

D. LEE OF WAVELAND SAVED MONEY BY FROM JOHN GALLAGHER AT GERRY LANE

Jessie D. Lee of Waveland. When the urge for a new car came, he started shopping around here on the Gulf. He then drove over to Slidell, La. then decided to try Gerry Lane and found that he could buy and save money. I have advantage of after sale service that John Gallagher must say from what I have heard from my friends that the way that Gerry Lane Chevrolet is concerned with customers.

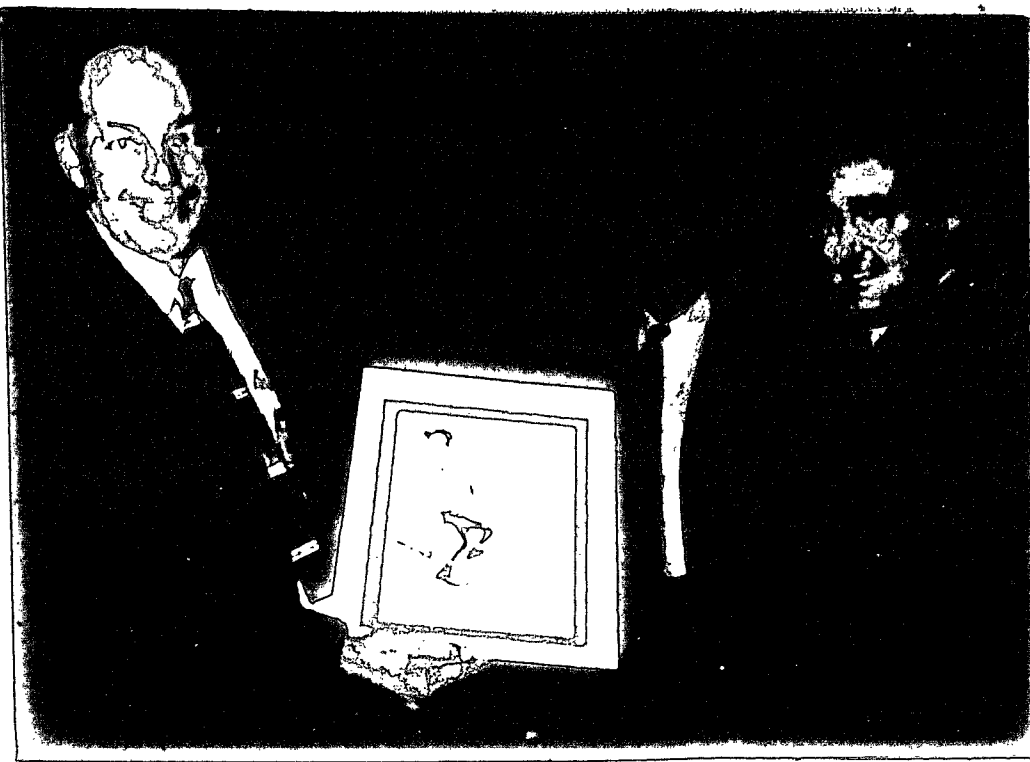

Jessie D. Lee
Waveland

F. J. FAIZO AND GRANDSON ARE SHOWN WITH SALESMAN JOHN GALLAGHER

My grandson and I started out shopping for a truck. Some dealers we visited didn't have much of anything. I was looking for a special kind of Chevrolet truck in a color I wanted. As I said earlier some dealers had little or no selection. We then stopped at Gerry Lane Chevrolet and was met by John Gallagher who had just what I wanted. On top of having the truck he saved me some money over the prices quoted by other dealers. The thing that most impressed me was the detailed attention and the amount of service given to the new customer by this new dealership. I sure will recommend these businessmen to all my relatives and friends.

F. J. FAIZO
Pascagoula

SPORTS ROLE CITED - F. H. (Dusty) Connell, left, holds plaque presented to him by Ed Martin, right, president of NASA's Mississippi Test Facility Recreation Assn. as Jackson M. Balch, center, manager of MTF, looks on. Connell was instrumental in establishment of association at MTF. During past four and one-half years, he served in key technical management positions at MTF. He and his family left Pass Christian last week for his new job with U. S. Naval Ordnance Plant at Louisville, Ky.

Was MTF pioneer

Connell takes job in Navy ordnance

A "Space Age" pioneer who helped plan, build and operate a modern rocket testing facility in his home state of Mississippi left last week for a new assignment with the government. F. H. (Dusty) Connell, who has been with NASA's Mississippi Test Facility for five years and watched this moon rocket proving ground spring from an artist's drawing to one of America's major space installations, has accepted a position at the U. S. Naval Ordnance Plant at Louisville, Ky. Connell, a native of Meridian, served as chief technical services at MTF and gained the full respect of his fellow government and contractor workers, and became one of the best liked employees at the site.

Renshaw home scene of tea

Members of First Presbyterian church held their annual Christmas tea Wednesday afternoon at the home of Mrs. Norman Renshaw, 220 Highland Drive. Mrs. George Hewitt and Mrs. John Middleton presided at the tea table which was decorated in the Christmas theme. Hostesses for the occasion were Misses Renshaw, Clarence Evans, A. J. Howe, George Evans, A. J. Wright, J. M. Cossett and Kenneth Teague.

Capt. Hansen notes 81 years

Capt. Hans Hansen, formerly of Clendengleson, Norway, sailed the seven seas for some years before finding the perfect place for retirement—the beautiful Gulf Coast of Mississippi. He also found the lovely Mrs. Esther Renshaw, whom he courted and married four years later. They live at 102 Poinsett Avenue, in Clermont Harbor where on Nov. 27 as they were celebrating his 81st birthday a handsome arrangement of gladioli and chrysanthemums arrived with best wishes and felicitations from an old friend, Alairp Alairson, whom he had not seen in 35 years.

TO THE CITIZENS OF THE CITY OF BAY ST. LOUIS

A petition was presented to the City Clerk on Friday December 1, 1967, by a group interested in changing our Mayor-Council form of government to a City Manager form of government. The greatest respect for the City Manager form of government and hold no ill will or disrespect for those good citizens who signed the petition in good faith. However, so many facts misrepresented, we feel that it is our duty to clear up some of these misconceptions. In enabling municipalities to adopt a City Manager form of government has been the State of Mississippi for some twenty years. Presently there are over 265 municipalities in Mississippi, five of these operate under the City Manager Plan. In our neighboring state of Alabama had five municipalities operating under the City Manager Plan, the average population of these cities is nearly 20,000. The state of Louisiana have one single municipality operating under the City Manager Plan of government. When annual administrative costs, consider the following figures representing the operating the City of Pascagoula, Miss., to the administrative costs for operating the City of Bay St. Louis at this time:

Bay St. Louis at this time

Arithmetic shows that basic administrative costs are considerably higher. To finance the City Manager Plan for Bay St. Louis would require such an additional heavy tax burden, we feel would be prohibitive. The Mayor-Commission form of government, the Mayor and Commissioners who are time elected officials are delegated the responsibilities of operating the various departments of City Government. Since they are elected by the people they are responsive to the people. The City Manager Plan, the day to day responsibilities of the various departments are necessarily operated by hired personnel who report to, and are responsible to, the City Manager. The Part-time Mayor and Aldermen meet monthly to adopt ordinances, approve bills and other routine duties. As set forth in Mississippi Laws of 1948, "The Mayor shall be the titular head of the City for all ceremonial purposes and for all processes of the City. This is completely false and has no basis in fact or in law. Anyone who to remove his or her name from this petition may do so by requesting the City Clerk to void the signature. John issues every citizen of Bay St. Louis should be concerned with its streets and this is what your City administration is striving for, this is our main concern. Overlook to put aside personalities and political animosities and to support the Bond December 23rd.

John A. Scafido, Mayor
J. Cyril Glover, Comm.
W. E. Traub, Comm.

(Pd. Pol. Adv.)

JERRY LANE
 Jerry Lane, owner of the boat, is shown here with his catch of the day. The boat is a small, motorized vessel, and the catch appears to be a large fish, possibly a snook or a similar species. The illustration is a simple line drawing, capturing the essence of the scene.

Trapani, St. Williams lead Annunciation loop

Trapani and St. Williams each scored victories Sunday to tie for the lead in Annunciation basketball league play at Kiln.

Trapani and St. Williams are both undefeated in three outings. Anthony and Bellie are 2-1, the Krack Stars and Lizana 1-2, Plate and Lakeshore 1-3. However, the Traps and St. Williams have had the breaks schedule-wise thus far and can look for trouble as the season progresses, especially from Anthony. With a fine young lady, the Krack stars headed by Anthony, the Traps and St. Williams are the favorites to win the league.

YACHT CLUB MEET

The annual meeting of the Kiln Yacht Club will be held at the club house on Sunday, Dec. 10, at 2 p.m. The meeting will be held in the club house, which is located on the waterfront. The club is open to all who are interested in yachting.

for the winners aided by Buddy Scarborough with 17, Kony Laddner, 15 and Ted Laddner 10. For the losers, W. Williams and Kubicki each scored 18 with Winter popping in 12.

Tigerettes face test vs. Pass

Bay High's Tigerettes, regarded as a leading power this year in the Gulf Coast Conference, continued to "mow 'em down" last week, but we'll find out Friday what they're made of.

Nominate 8 for PCI board, sign purchase

Eight candidates have been proposed for the board of directors of Pass Christian Isles Golf Club in preparation for the annual stockholders meeting in January.

Nominatee are: Joseph P. Schaff of Bay St. Louis, W. Williams of Waveland, Howard Harper, Richard A. Anderson, Roy Lapehart, John L. Laddner and George Arceba, all of Pass Christian, and James C. McGehee of Long Beach.

Mr. John Griffin served as chairman of the nominating committee.

Negotiations to exercise of the lease-purchase option with Wallace C. Walker and Brothers for the 116.7 acres on which the club is located were completed Nov. 22, according to M. Bossert, president. The annual lease was dated Feb. 1, 1967.

The club will have its annual Christmas party from 7 to 9 p.m. on Saturday, Dec. 16. Advance reservations must be made for guests.

MARIE L. JUNTNEY
 (SEAL) Clerk
 Board of Supervisors Hancock County, Mississippi.
 12/7, 12/14, 12/21, 12/28/67

The favored Krack Stars took it on the chin from St. Williams 77-69 in the second game, the winners being led by Larry Co-wart and Dale Moran with 21 points each. Otis Sanders and Wayne Moran added 12 and 10 each respectively. For the Krack Stars Sullivan Bell led the day's scoring with 30 points followed by Willie Bradley, 18, and Billy Ray Foxworth, 12.

Next Trapani knocked off Lizana 68-47. Scoring for Trapani, Kenny Randall, 18, Tom Darwin 14, and Carr 10. For Lizana, J.C. Lizana got 24.

In the finale Anthony defeated Lakeshore 67-48. Scoring for Anthony, Larry Johnson 22, Jerry Spell, 16, Curtis Mathers 10; Lakeshore, Ray Laddner and Sam Carver 20 each.

played Pearl River Central in the preliminary. Both were conference games.

Wendell debuts for Southern but team beat

Big Wendell Laddner, former Hancock North Central basketball great, kept Southern Mississippi's Golden Giants in the lead as long as he was playing but after he fouled out North-east Louisiana managed to catch up and go on to win Southern Miss's opening game 91-89 at Monroe, La., Friday night.

Berlin Laddner, Wendell's older brother, a senior and starting member of the Giants for the last three years, was the game's top scorer with 19 points. Wendell only got credit for 16 points but was a tower of strength under the basketball.

It was his first varsity appearance for coach Lee Floyd's Southernners.

The Tigers were scheduled to resume action Tuesday in the Tigerdome against Long Beach while the Tigerettes

GEORGE WEIDEMEYER PREFERS CHEVROLETS AND LIKES SERVICE AT GERRY LANE CHEVROLET

My automotive needs are simple. I need a car that will perform to my expectation and that I can get serviced when I need it. That's why I choose Chevrolet's Chevrolet Malibu sport coupe. I had a 1964 that gave me excellent service and I bought essentially the same thing in 1968. I choose Gerry Lane Chevrolet as my dealer as they served my last car satisfactorily. Herb Baron gave me as good a deal as I could have gotten anywhere and I have the satisfaction of knowing that in a small way I have helped our community to grow by buying locally and keeping our tax dollars at home working for us.

MR. AND MRS. KNOX IRBY SHOPPED FROM TEXAS TO THE GULF TO FIND BEST DEAL AT GERRY LANE

Mr. and Mrs. Knox Irby of Amelia, La. are proud owners of their new Caprice. After shopping dealerships from Houston, Tex. to Gulfport, Miss. found Gerry Lane Chevrolet to have the exact car in stock we wanted and at a price we could not afford to turn down. The price was not the only factor that made us decide to trade. After a complete tour of the dealership where we met and were greeted by the entire staff, Mr. Knox, owner, Mrs. Smith and Mr. Martin, sales manager, the shop and body men, mechanics, office workers and our salesman Jim McLean. We would like to recommend Gerry Lane Chevrolet to all our friends and relatives along the Gulf Coast to stop and share the warm feeling we received and take advantage of their outstanding deals.
